Dear Mr. Bené,

On behalf of the Saint Louis Apartment Finder, The American Red Cross, and the victims of Hurricane Sandy, THANK YOU! The generosity of you and your staff far exceeded our expectations. We estimate your donations will help nearly 40 families who suffered from the impact of Hurricane Sandy. The openhandedness and openheartedness of your staff and community residents has been unparalleled to anything we have seen. Your staff and residents went above and beyond to make certain the victims are taken care this holiday season. Due to the number of donations, we are prepared to have two pickups at Aventura at Richmond scheduled for Friday, November 30, 2012 and Monday, December 3, 2012.

A very kind, and very big, thank you.

Sincerely,

Julie Kirton
Sales Manager
